Quantity Surveyors & Tax Depreciation Specialists

WHO IS CORPRED ENTERPRISES AND HOW CAN WE HELP YOU?

Corpred Enterprises is a professional practice of consulting Quantity Surveyors who specialise in the preparation of Tax Depreciation Schedules.

We offer our services Australia Wide and operate 7 days a week for your convenience.

1 BRONZE FREE

Our Bronze option is FREE and provides you with a depreciation estimate of the total amount available for depreciation in your first full year of ownership.

2 SILVER ~~\$250~~ +GST *\$199+gst limited time*

Our Silver option is our basic package costing \$199+GST for residential property. With this option you will complete an online checklist with a series of questions about your investment property, so that we can assess the depreciation that is available. You will receive a full depreciation report for your property based on the information provided.

3 GOLD ~~\$450~~ +GST *\$399+gst limited time*

Our Gold option is \$399+GST for residential properties and covers all metro areas in all capital cities. This option guarantees you the highest level of depreciation back as our 20 page comprehensive report is based on a physical inspection of the property ensuring that every item possible is depreciated.
